Teaching Goals

1. Rank the following teaching goals to reflect their importance to you. Rank from 1 to 6, with 1 being the MOST important.

- Teaching students facts and principles of the subject matter
- Providing a role model for students
- Helping students develop higher order thinking skills
- Preparing students for jobs and careers
- Fostering student development and personal growth
- Helping students develop basic learning skills

2. How do your teaching strategies, classroom activities, or homework assignments help you achieve your two most important goals?
