

# Create, Build and Connect Guidelines for Remote Teaching

CONSIDER THE COVID-19 CONTEXT

## 1 CREATE YOUR COURSE FRAMEWORK

- take inventory
- confirm your course outcomes
- outline a clear and consistent structure

## 2 BUILD YOUR REMOTE COURSE

For each learning module:

- A) Identify desired outcomes
- B) Create Active Learning Experiences where learners engage, think, create and do
- C) Plan Assessment and Feedback

Course level outcomes and expectations

Course content is broken into chunks called Learning Modules

A	A	A	A	A	A	A	A	A	A	A	A	Summative Assessment
B	B	B	B	B	B	B	B	B	B	B		
C	C	C	C	C	C	C	C	C	C	C		

Example layout of a remote course with a 12-week format

## 3 CONNECT AND CHECK-IN WITH LEARNERS

- consider what student learning you want to facilitate through your presence
- provide frequent, clear and consistent communication
- ask for feedback
- check student engagement

Provide Choice

Be Compassionate

Be Remote Ready

Be Flexible
